

Patterson's

EXECUTIVE TEAM

Gary Lott

Gary and his wife have lived in Mohave County for over 30 years. He has worked in Real Estate related fields for the majority of that time. Gary was trained by Arizona Department of Revenue as an Appraiser for the Mohave County Assessor's office. He holds licensure as an Arizona Real Estate Broker, Real Estate Appraiser, and Registered with the State as a Property Tax Agent. Gary also holds federal licensure as a gun manufacturer.

When he's not at the office Gary can be found digging something up in the backyard garden. Often times he's out on the lake with the grandkids boating, kayaking, fishing or just swimming. Active in politics, Gary is not afraid to stand up for what's right and fight for it.

With a strong desire to get things done right, Gary is an education junkie. He has a diverse background in professional services and expertise. He knows how to assure his clients have a seamless transaction with as little stress as possible.

Whether you're looking to liquidate or acquire residential or commercial real estate, Gary is your guy.
