# Jonny Meins

Jonny is a lifelong resident of our beautiful state of Arizona. The majority of his years has been spent right here in Kingman. He graduated from Northern Arizona University in 2003 with a Bachelor's degree in Business Management.

If you don't find Jonny at the office, he's out busting softballs over the fence at one of the many softball tournaments he participates in. On a more regular basis, he can be found sweating it up at Kingman Crossfit before the sunrise.

Jonny has been a licensed REALTOR and proud member of the Team for 10 years. He truly enjoys the variety of residential, commercial, and vacant land transactions.

Well versed in all aspects of the real estate market, Jonny works with both buyers and sellers. An education junkie, he has been working on commercial designations and is currently a Certified Commercial Sales Specialist (CCSS). This past year Jonny helped his clients lease more property than any other agent in Kingman - or all of them combined!

Whether you're looking for a home for you and your family or for your business, Jonny Meins is ready to work hard for you!
